GOVERNOR GRAHAM'S address at the Fair in Raleigh, on last Friday, eulogistic of the late ex-Chief Justice Ruffin, is spoken of by the Sentinel in the warmest terms.-That paper says that it was not so much a 59 enlogy, as it was a memorial of the great and good man, whose life and character were commemorated. For good taste, sound judgment and high literary excellence, it was unsurpassed by any similar 1 25 performance.

> WILMINGTON, CHARLOTTE AND RUTHER-FORD RAILBOAD.—This road runs from Wilmington to Pee Dee river, and from Charlotte to Cherryville, which is 11 miles from Shelby. The grading to Shelby is complete, the cross-ties are ready. The only gap is at Buffalo creek, where the splendid granite abutments are ready for the bridge. This road should by all means be completon its path, and are demanded in all the markets of the world. Near this road are gold and iron mines awaiting the energy

The sandhill cities are crying for the golden butter which the mountain dames are beating, and the mouths of the mountaineers are watering for fish, fresh and fluttering, from the briny deep. Biblical Recorder.

Beautiful and true; but one word more. Directors, hurry the road along, or the rains of winter will obliterate the work of Spring! Reduce the freights, or other roads will reap the reward that the progress of your road entitles you to. Get the iron at once to finish it to Wadesboro'. Anson owes between 70 and \$80,000 to the road, for work to be done in Anson, and work done in the county. Push forward will all speed. - Wadesboro' Argus.

The Surrender of Toul,

The following account of the condition .00 of Toul after the surrender, puts that event in a light somewhat different from any heretofore given. The defense does cable dispatches indicated. The account is from the London Times : "A peculiar scene was enacted at the

casions, both parties, when the gate was opened, seemed to meet like the best of friends. The French garrison were delighted to be out of it, and the German besiegers no less so to find their work at an end. There being many Aleatians among the garrison, besiegers and besieged at once entered into conversation, shared the 75 contents of their flasks with each other. to and but for the stringent rules separating prisoner from conqueror, would doubtless have made a night of it. The inhabitants of the town, too, came out with radiant countenances, and held a regular holiday after their long imprisonment. Excursions into the country were immediately undertaken, and civilians and officers, the latter teachers. Average number of students, 105 male released on parole, were seen driving about and inspecting the positions which had so recently menaced them. The captare of the place ought to be an eventof no though fired upon for weeks from field guns, rifled breech-loaders of modern pattern, it held out staunchly, and had evideatly no intention to give in. The old though they were, likewise failed to make the expected impression. It was only when the siege artillery of the Germans, tion was instantaneous. A single afternoon's bombardment from the fresh arrivals sufficed to cause the white flag to appear on the Cathedral tower. Before the siege could be begun in earnest, and the first parallel dug out-till then the place Ashley says that Montana wants no more had only been shot at from the hills-a Chinamen, no more Indians or barbarians | flag of truce was in the German camp. The ries done to the Cathedral are capable of being repaired.
